Dedication

**Marcus
Copeland**

**Wishkah
Pastor**

Dedication

This annual is dedicated to Marcus Copeland, a man of God. Marcus has faithfully served this community for fifteen-sixteen years, first and foremost as a pastor, friend and neighbor. Those who call on him for help find him ever ready to serve in any way at any time.

When Marcus first came to this community, church was held in a tiny school which perfectly fit that famed description of the school of old. Later, land was purchased to build a church, a real church, one which could serve the community faithfully for many years. As most of you know, the present church stands in place of that little schoolhouse.

Later on Marcus began the various activities of the church, such as Sunday school for the little ones, Monday school for the teen-agers, Sunday evening services for the adults, etc.

During all these many years Marcus has spent here, he has always found time to serve those whose hearts cry out for a knowledge of God, those in this community and elsewhere, anyone, anywhere, who might need the help and encouragement of a man of God, a man like Marcus Copeland.

"Glorious things are spoken of thee."

I wish to compliment the editor of this 1961 Annual, and her staff for their efforts in putting out this very fine Yearbook. The Wishkah Valley students have done many fine things this year that deserve recognition.

The interest shown by the many firms that have taken out ads is greatly appreciated.

To the members of the graduation class of 1961 in Wishkah Valley High this Annual is one, I am sure that you will cherish, and refer to, many, many times in the coming years. It will be a pleasant reminder of those activities in which you had a part in bringing to a successful conclusion, whether it be in athletics, or any of the other many activities offered.

From left to right: Joe Cornell, Gene Lebon, Clerk; Willie Brakus, and Charley Moodenbaugh, Chairman. Absent from this picture is Don Voeller.

The class of '61 has had a wonderful four years and it is with a feeling of sadness that they bid good-by to Wishkah High.

During its high school years the class lost several of its members along the road the rest of the class traveled. Among those students were Tom Ridgway, who joined the Navy in 1959; Marvin Nylander, who is now residing in Arizona; and Butch Kinder, a navy man now, married and father of one child. The class also lost Joan Sjogren, who is now attending school in Vancouver.

Throughout its four years the class of '61 has kept very active with hot dog sales, hamburger and french fry sales, dances, and car washes.

Always on the go, the class members in their junior year also worked for the Sunshine Kids and gave a junior-senior banquet. During this memorable year the class gained three new members in the persons of Byron Anderson, Stan Anderson and Bruce Wakefield. Also in attendance during that year was Buzz Wynans whom we lost again, but who returned this year.

Other new students this year were Fred Pentt, Doug Schrader, John Tierney, and Bill Butler.

The ever-busy class of '61 has this year filled the air with talk of graduation, grades, homecoming candidates, all of which will remain ever present among the memories of the grand "ole" days at Wishkah High.

This year the sophomore class had eleven members, including six girls and five boys. Their class advisor was Mr. Schilke, who helped with all the class projects.

To start off the year the class initiated the freshmen. All were dressed in old clothes and smeared with lipstick. The group performed stunts before all the grade and high school students.

The first project this year was a skating party which brought in \$24.50. A second project was the selling of name pins which were orange and black. A third was a dance after the Wishkah-Boistfort game. A total of \$8.75 was brought in. A fourth project was a raffling off of a six-transistor radio. A profit of \$6.60 was made.

A new class member to enter the class this year was Skip Edinger, who transferred from Aberdeen. One member, Mike Gary, returned to Hoquiam High School, from where he had previously come.

The boys who were active in basketball were: Richard McDougall, Dale Carter, Joe Springer, and Herk Hansen. All of the above-mentioned were also active in football.

Several girls, who include: Sharon Garrett, Vicki Micheal, Sharon Goodenough, and Rose Pauley, were active in basketball.

Three of the girls were on the yell queen staff. They included Roberta Eby, Patt Allen, and Vicki Micheal.

Members included in the student council were Patt Allen, Herk Hansen, Rose Pauley, and Sharon Goodenough.

Dedicated to David Ridgway

This page is dedicated to one of our fellow classmates who met with an unfortunate accident last fall and was unable to attend school for most of the year. David Ridgway, who played for the Wishkah football team, was hurt in the Wishkah-Rainier game in October. Dave was playing his best for the team that day, was tackled and broke his thighbone. The break was serious and resulted in an operation in which a metal plate was put in his leg. Dave returned to school one day in January. The same day as he was going down the stairs he twisted his leg and had to re-enter the hospital for three days and have a cast put on his leg. Dave was unable to return to school this year. We hope he will return next year and be in good health. We all miss him very much.

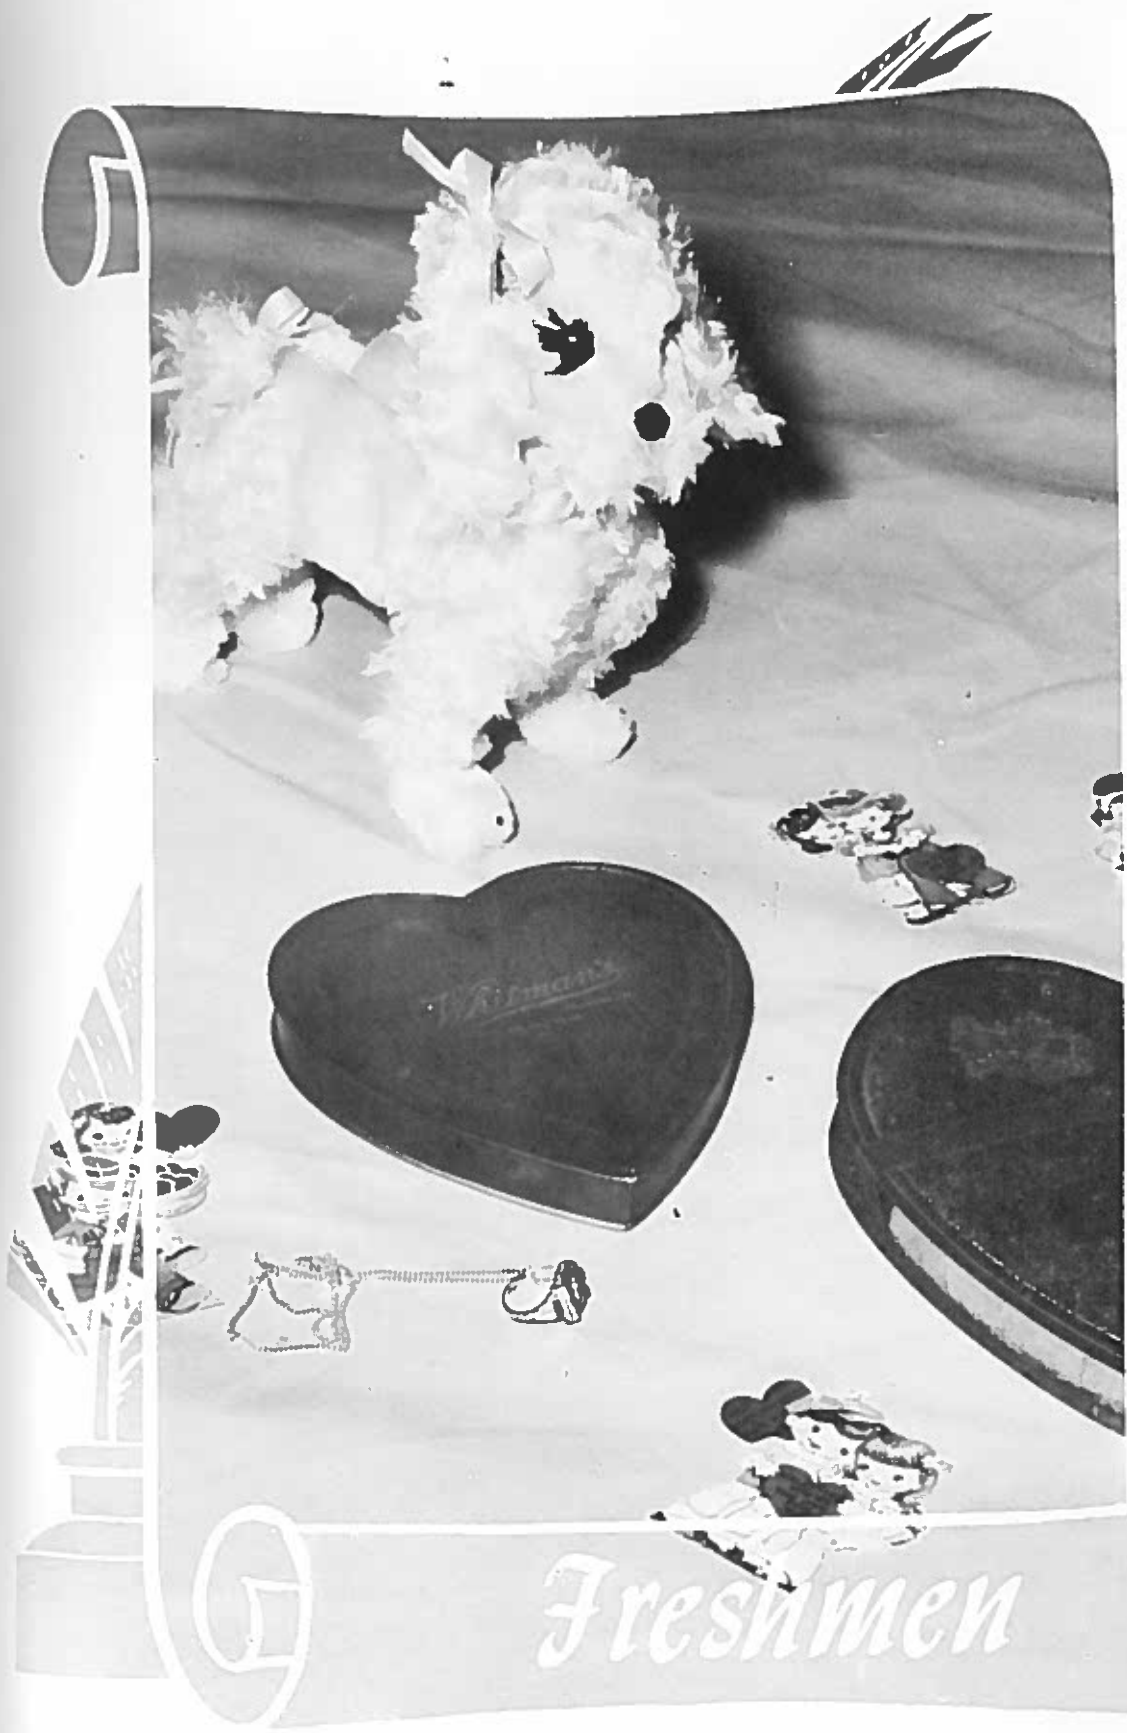

Dave was a junior when he was hurt.

Grades

1st and 2nd Grades

3rd and 4th Grades

5th and 6th Grades

With the opening of the school year, class officers were elected for the first semester. Elected as officers were the following students: President, Sherry Ackerson; Vice President, Margaret Matthews; Secretary and Treasurer, Shirley Johnson; Librarian, Charlene Button; Reporter, Margaret Matthews.

When the first semester came to a close officers were again elected, this time for the second semester. Elected officers were as follows: President, Bob Eager; Vice President, Danny Marbut; Secretary and Treasurer, Ronnie Moodenbaugh; Librarian, Vicki Pavlevsky.

Class meetings were held each Friday, and the yearly dues for members of the class were 75 cents.

In October, a popcorn sale was held, and a profit of \$4.41 was made.

The class started having hot lunches and desserts in November, having something almost every two weeks. The class gave their thanks to Mrs. Merrill for cooking the hot dogs, soup and other things they had.

On January 18, they were disappointed to lose their game to Pacific Beach, but it was their first game, and they hoped they would do better next time.

It turned out to be a beautiful day for their class picnic, and everyone enjoyed himself very much.

7th and 8th Grades

At the beginning of the year, the class elected three girls as yell queens. They are Dixie Marbut, Arda Lindeneau, and Paula Clevenger.

The boys didn't do too well during football this year, winning only one game out of five. But their luck was changed for basketball, and they won three games, losing only two. Mr. Klein was their coach.

On January 18, the class held a skating party, and made a profit of \$5, which they added to the class fund. As other moneymaking projects, they held a hot dog sale, and two popcorn sales, making a total profit of \$20.40, which was also added to the class fund.

The LOGGER football squad, under the direction of Coach Tom Merrill, had a season with its ups and downs as they finished with a record of 3 wins and 4 losses. Although the team was noticeably handicapped during the season by the absence of many of its star players they managed to pull through in many tight spots. All in all, the LOGGERS played a great season.

The Logger basketball team had another fine year under the capable coaching of George Vlastelica, as they captured second place in the league with a 6-win, 2-loss record, and earned for themselves a berth in the district tournament. At the tournament the Loggers showed they have the physical ability to go far, but they could not handle the smaller but faster Morton and Pe Ell quintets and were quickly placed out of contention. Prospects are bright for next year, however, as the Loggers will be returning with four of this year's starting lineup.

At the beginning of the 1960-61 football and basketball seasons the following girls took over the office of yell staff: Charlene Moodenbaugh, Patt Allen, Roberta Eby, Vicki Micheal, and Leona Snyder.

For the football season the girls wore long black toreadors with orange sweaters, along with black corduroy shoes.

At the beginning of the basketball season, the outfits were changed to white pleated skirts, orange sweaters, and white shoes. At this time, Wes Humbyrd, a transfer from Hoquiam, was elected a member of the yell staff as yell duke. He wore a uniform of black pants with orange stripes down the sides with a white bulky knit sweater with a black letter.

The yell leaders were very proud to have the boys attend the basketball tournament.

The Loggerettes, under the direction of coach Merrill, enjoyed a fairly successful basketball season in '60-'61, winning 3 and losing 3 games in league competition. The girls played games with teams from Quinault, Matlock and North River, but the games that were most enjoyed by the girls were those that were played with the community mothers. The team is very grateful to their coach and to their manager, Pat Conway, for being so helpful to them throughout the year.
